

## San Diego & Imperial Counties

In your search for local flu vaccination resources, please be mindful that County Public Health Services are provided for our region's *uninsured* population. If you have insurance coverage, please contact your Local Provider directly or use the VaccineFinder for alternate vaccine locations. *Please contact your insurance to confirm vaccine coverage and cost.*

**UNINSURED** | If you do not have a provider or health plan, please connect with county public health services for information on flu vaccine availability and clinics.
